

August 6,2021 Newsletter Catskill Yacht Club.

Greetings!

Soon, summer is ending and the boating season also; but the club is having its **summer fun day weekend** to enjoy the last rays of summer.

The August membership meeting was attended by 22 full members and 4 associate members. The major fundraiser for the club is fast approaching, August 20-22. Volunteer workers are still needed. Also please plan on attending this event. This is a great weekend at the waterfront with friends, good food and entertainment.

The icemaker was repaired twice this season. If the bin is emptied by more than half, the icemaker will stop making ice, it cannot recover. Also the air in the pantry area is too hot for the icemaker. Ray Kennedy and Wm. Decker will come-up with a solution on how to add cool air into the pantry area.

There are still open slots for your duty day available.
