I would like to take this opportunity to **Thank** all the members of the Catskill Yacht Club for their support during my tenure as **Secretary** of the Catskill Yacht Club.I learned a lot during this time,and most important the inner works of a private club.Had lots of fun and the camaraderie which goes with it.Again, **Thank you Members!**

The yearly elections at the club came and went by;more of it a little later.

The club voted-in a new associate member:Joseph Zecca,wellcome Joe to the ranks of membership.His sponsors are J.Gribben and D.Callahan.
