

October 7, 2021, Newsletter, Catskill Yacht Club.

Greetings!

Fall is upon us; great colors in abundance are around us.

Thirtynine full members and two associate members attended the October 2021 membership meeting.

All dockowners need to place their name or boatname on their dock every year if you change your dock one month after the docks are in. \$ 25.00 fee for not complying.

The club received the bid for repairing the bulkhead. It will commence early next spring. Two members already volunteered to help out with this project.

Members, please be considerate of others, no smoking on the porch.

Docks are coming out on October 30, rain date October 31. Lunch will be available, \$ 5.00 pp, by Wayne.

Members get gas during the week before the docks are pulled out, the gas pump will be pulled out the Wednesday before the docks out.

The pumpout will be pulled on the same day as the docks out.

Membership voted in favor that associate members can get a key fob with three or more years membership and owner of a boat.

Members, your attendance at the next membership meeting on November 4, 2021 is needed to cast your vote for that a Commodore can be a candidate for Commodore for four consecutive years if so elected each year by the membership. ***Flyer attached.***

The 50/50 yielded \$ 95.00 for the winner. Thank you Tony and Vicky.

Pam Coloton volunteered to have the original clubhouse photo reframed.

***Elections: for 2022.*** The following positions are open:

**Commodore, Vice Commodore, Secretary, Treasurer, Financial Secretary, Dockmaster, 2 assistant Dockmaster. 2 Directors each one for a 2 year term.**

This is a great way to learn how a club works and at the same time provide the club with your expertise and ideas.

Please contact any Officer if you are interested. The slate of candidates will be set-up at the November meeting and the elections will take place at the December meeting.
