

September 3,2021 Newsletter Catskill Yacht Club.

Greetings!

Summer Days are waning, Labor Day is upon us; but the fall season is beautiful in the Hudson Valley.

34 full members and 3 associate members attended the September 2, 2021 membership meeting.

Summer Fun Day weekend at the club was a "blast". CYC T-Shirts and Hoodies were available for purchase. The Weather cooperated, The 50/50 on Friday and Saturday, Gift Baskets and the Yeti cooler cheer raffle all were very successful. Chelsey Grupe and all the volunteers did a great job in making this fundraiser a success.

The club received the permits for the repair of the bulkhead.

With the new/used ice maker the club now has plenty of ice.

At the next membership meeting, October 7, 2021, full members have the opportunity to vote on the following item: Associate members with 3 years or more membership years and owner of a boat are eligible to a key fob.

This above posting is on the bulletin board in the clubhouse.

Reminder: All boat operators in NY State need a boating safety certificate by 2025. Flyer is posted on the bulletin board.
